
A landscape photograph showing a large, smooth sand dune on the left side, sloping down towards a body of water on the right. The water is calm and reflects the sky. In the foreground, there are tall, thin reeds or grasses. The sky is a pale, overcast blue. The overall tone is muted and naturalistic.

Dunas

Corrubedo

This is one of the most significant and valuable enclaves of Galicia's natural heritage, where some photographs show similarities with the immense Sahara desert.

A photograph of a dolmen, a prehistoric megalithic construction, situated in a lush forest. The structure consists of large, grey, weathered stones. A person is visible sitting inside the chamber of the dolmen. The background is filled with tall, thin trees and dense green foliage. The overall scene is peaceful and natural.

#SurfHouseAsFurnas

Dolmen de Axeitos

Ribeira

It is a prehistoric megalithic construction that refers to the remains of a chambered corridor tomb.

#SurfHouseAsFurnas

Castro de Baroña

Porto do Son

This Iron Age settlement is one of the most emblematic and best-preserved hill forts in Galicia, located in a privileged natural enclave surrounded by the sea and overlooking a beautiful sandy paradise.

#SurfHouseAsFurnas

Mirador de A Curota

**Pobra do
Caramiñal**

Is the most visible viewpoint in the Rias Bajas, from it, on a clear day, you can see the whole of the Arosa estuary, part of Muros, the islands of Sálvora, Ons and Cíes.

#SurfHouseAsFurnas

Plaiia das Furnas

Xuño

This is an unspoilt beach, made up of fine white sand. It is embraced by the roughness of the sea, with crystal-clear, turquoise-coloured water wells. It also stands out for its strong waves and the usual wind.

A photograph of a stone arch bridge spanning a river in a forest. The bridge is made of large, weathered stone blocks and is partially covered in moss. The surrounding area is lush with green foliage and trees. The lighting is soft, suggesting an overcast day or a shaded forest.

#SurfHouseAsFurnas

Ponte Medieval

Xuño

This is a small jewel of medieval civil architecture, although some studies suggest that the present bridge may have been built on the ruins of an older one, perhaps dating from Roman times.

#SurfHouseAsFurnas

Benboa

Corrubedo

Restaurant with Galician recipes and market cuisine in an original tavern in front of the harbour, selling handmade products.

#SurfHouseAsFurnas

Chiringuito Waimea

Xuño

It is the perfect place to have lunch or dinner if you spend a day at the beach in As Furnas, or to have a few beers in any restaurant, to see the views of the whole beach.

#SurfHouseAsFurnas

Chiringuito As Furnas

Xuño

It offers complete breakfasts on the beach to start the day off right. They also offer different tapas, sandwiches and mixed dishes. And with spectacular views of Furnas beach.

#SurfHouseAsFurnas

Ribeira

Albariño Churrasquería

Restaurant specialising in steaks and seafood, where they also offer breakfast and a daily menu. Good place to eat and with a variety of dishes.

#SurfHouseAsFurnas
